

MOTION BY SUPERVISOR DON KNABE

October 21, 2003

Los Angeles County is fortunate to have some of the most beautiful stretches of coastline and beach recreational areas in the world. Part of the mission of Los Angeles County is to enhance public access and enjoyment of our County owned and operated beaches. Currently, many of our frequent beach users do not utilize the County Beach Parking facilities because of the limited number of parking fee options that are available. Many of these beach users park in adjacent public street areas to avoid paying the daily parking fee that currently exists.

I, therefore, move that the Board of Supervisors direct the Director of the Los Angeles County Department of Beaches and Harbors to; 1) establish a pilot program that would add an Annual Beach Parking Pass at a cost not to exceed \$50.00 to the parking fee options available to users of Royal Palms State Beach in San Pedro and El Segundo Beach entered at Vista Del Mar and Grand Avenues; and, 2) Submit a report

to the Board of Supervisors on the quarterly basis for these 2 beaches comparing parking revenues for 2002 and the 4 quarters of 2003-04 to ascertain if passes have any revenue loss impact. A final report with Department findings and recommendations to the one year program will be due October 1, 2004.
